This is an introductory course to Arabic language and culture providing a thorough grounding for listening, speaking, reading, and writing Arabic. The course follows the integrated approach which blends Modern Standard Written Arabic, fushā, and the dialect, āmmiyya, in a way that reflects the authentic practice of native Arabic speakers. We will be using Standard Arabic to develop reading and writing skills and Shami to develop speaking and listening skills.

Arabiyyat al-Naas, part one.
