Turkish 111-3 or
permission of the
instructor

Turkish 121-1 is the first quarter of second-year Turkish. The course builds on material learned in first-year Turkish by introducing additional grammar and sentence structures, by presenting new vocabulary and ample opportunities to practice and expand all skills. Second-year Turkish uses a communicative, proficiency-oriented approach with fully integrated audiovisual media to teach modern Turkish as a living language.

Elementary Turkish: A Complete Course for Beginners. Revised Third Edition (2015). Kurtuluş. Kebikeç-Yayınları Sanat Kitabevi. ISBN: 978-975-7981-40-4.
