TOPICS IN HEBREW LITERATURE: PARENTS & CHILDREN IN ISRAELI SOCIETY

Hanna Tzucker Seltzer, Instructor. TTh 2-3:20PM

The topic of this class is Parents and Children in Israeli Society. In this class we will dive into the universal topic of relationships between parents and children as it is reflected in Israeli society. We will examine this topic through the lens of various genres, such as short stories, blogs, films, parental guides and TV shows, and we will even taste a bit of creative writing. As we discuss the complexities and dilemmas of the relationships we encounter and ask ourselves if there is something like "Israeli parenthood" or "Israeli childhood", we will also pay close attention to the varied language levels and styles, grammar structures and vocabulary.

Prerequisite: Hebrew 121-3, or instructor's consent.
