

ARABIC 211-2-20

THIRD-YEAR ARABIC

Fatima Khan, Instructor. MWF 3:30-4:40PM

Arabic 211-2 is the second quarter of the two-quarter sequence of Third-Year Arabic. The course continues to follow the integrated approach which blends the standard Arabic, Fuṣḥā, and the dialect or colloquial language, āmmiyya, in a way that reflects the authentic practice of native Arabic speakers. Students completing the two-quarter sequence will be able to comprehend authentic texts on familiar topics as well as recognizing main ideas, and they will have learned enough vocabulary and idioms to hold short conversations with native Arabic speakers. Improved clarity and intonation will be clearly noticeable in students' pronunciation, reading, short individual and group presentations.
